

# Oarbits App Instructions

## What is the Oarbits App?

The Oarbits App is a handy utility for people rowing online with RowPro. It enables you to use an iPhone, iPad, iPod Touch or Android phone or tablet to access all Oarbits functions.

## How to download and install the Oarbits App

- For the iPhone App, go to the App Store and search for Oarbits.
- For the Android App, go to the Android Market at <https://market.android.com> and search for Oarbits.

## How to sign in to the Oarbits App

- In the Settings tab bottom right of the App, tap the Login entry and enter your Oarbits Login and Password and tap Login. If you have forgotten your Oarbits Login or Password, please contact [assist@digitalrowing.com](mailto:assist@digitalrowing.com).
- Provided the App can connect to the Oarbits server and you have entered a valid Login and Password, the App will then enable you to access all the Oarbits functions available in Oarbits online.

## How to use the Oarbits App

### GMT NOW

RowPro Online Rowing uses GMT (Greenwich Mean Time) for session scheduling. The App shows the current GMT time across at the top of most tab pages.

The Oarbits App has the following tabs:

### Schedule

This shows a scrollable list of upcoming Online Rowing sessions scheduled in Oarbits. The list is refreshed automatically every time you select the Schedule tab, and you can refresh it manually by tapping the Refresh button top right.

- To see session details, tap a session in the list.
- To add a new session, tap the New button at top left and enter the session details.
- To join a session, view its details and tap the Join button top right on the Session Details page.
- To leave a session, view its details and tap the Leave button top right on the Session Details page.
- To return to the session list from the Session Details page, tap the Schedule button top left.

### Results

This shows a scrollable list of completed Online Rowing sessions. The list is refreshed automatically every time you select the Schedule tab, and you can refresh it manually by tapping the Refresh button top right.

**Note:** Sessions that are currently rowing are shown in blue at the top of the Results list.

- To see result details, tap a session in the list.
- To return to the results list from the Result Details page, tap the Results button top left.

### Messages

This enables Oarbits members to send messages as emails to other Oarbits members.

- To compose a message, enter a Subject and Message.
- To select one or more recipients, tap the Recipients button bottom center.
- To send the message, tap the Send button bottom right.

### News

This shows a scrollable list of Digital Rowing news articles.

- To view each news article, tap an entry in the news list.
- To return to the news list, tap the News button top right.

### Settings

This enables you to sign in or out of the Oarbits App. See **How to sign in to the Oarbits App** above.
